I CAN STILL
POSSIBLY

Thank you for buying this
 "Addicted to Love After School."
 This is my second book,
 thank you for the support.

This time, there were two parts
 in this series. But, either part has
 a younger scene. It wasn't intended
 to have that theme, so sorry.

Thank you to the publisher who
 lets me draw whatever I want.

Thank you! In addition, thank you
 to all my friends and family.

The most important are the readers.
 I can only continue to draw because
 of them. Thank you very much!

I'm still fairly new. Please give me
 your guidance in the future!
